Dear Members

The President and Board of Directors wish to advise Members that Wallsend Diggers has submitted an Expression of Interest to amalgamate with Wallsend Bowling Club. This was in response to Wallsend Bowling Club advertising for Expressions of Interest for Amalgamation. The Board of Wallsend Bowling Club chose to accept Wallsend Diggers Expression of Interest.

A Committee from each Club has been formed and will now work together to achieve a Memorandum of Understanding to be agreed to by both parties. In time this Memorandum of Understanding will be put to Members from both Clubs at separate General Meetings for Members approval.

Notice for the General Meeting of Wallsend Diggers Members will be given 21 clear days prior to the date of the General Meeting and the Memorandum of Understanding will be included in the notice.

The Board of Wallsend Diggers recognise that Wallsend Bowling Club plays a huge role in the Wallsend local community and want to ensure that the Sport of Bowls continues locally in Wallsend.

John Hume, Chief Executive Officer

On Behalf of the President and Board of Directors
